Vaccinations: For your pet's protection, **all vaccinations must be current.** We require written proof or phone confirmation from your referring veterinarian of vaccination, for any pet that stays at Elmore Road Veterinary Clinic. **If you are unable to provide proof of these vaccinations when your pet is left for boarding, a doctor will provide a comprehensive physical exam and appropriate vaccines, which are your financial obligation. Your pet must also be free of internal and external parasites, including fleas and ticks. If not, we will treat your pet at your expense.** Please note that many vaccines do not take affect for 10-14 days, so be sure your pet is vaccinated before boarding for optimal wellness. I agree to and understand this policy.

IMPORTANT: If your pet becomes ill, we will treat your pet accordingly. By signing this form, you hereby give the staff veterinarian your permission to treat your pet if injury or illness occurs, and will be responsible for any charges that may occur as a result.
